General Business:

1. John: I did not receive the quote for painting of the club house until the day before the grant closed. I proceeded to apply, but upon completion it would not go through. After quite a few attempts I was still unsuccessful. The only thing that I can think of is, maybe Holden closed the applications earlier which was noted in a disclaimer on the application form. Our books close on the 31st March, after discussions with Graeme Goudie: he stated that as long as he can have the books as early as possible, the earliest date that he would have the audit complete would be the 17th May, his suggestion was that we consider combining presentation day with the AGM. After discussion it was agreed that Jan may need some time to compile her first financial report, and a combination of the two would make for a long night. Jan to liaise with Paul as to what is needed for her report and a date will be set next meeting for the AGM. After contacting the sponsors for Aylean's day, it is estimated to be \$150 short. It was agreed that the club make up the difference. A proposal was distributed to all present for their perusal and discussion next meeting to change the regulations with regards to the structure of the match committee
2. Christine: The annual tournament needs to be reviewed, as there is a lot of pressure on the catering committee with back to back catering on top of Christmas. Business house nights need to start

earlier, as a lot of people go home at the completion of the game. Brooke will need to cater for presentation night from the club kitchen.

3. Phil Expressed disappointment at losing the chance to host one of the finals. System now in place for the committee to be consulted before any decision is made

4. Damien: New members, Bev Reichmann and Meryl in Millthorpe were accepted

Meeting Closed 9.36 pm.

Next Meeting to be Tuesday 14th April at 7pm
